

Hello Chippewa Youth Hockey & Chippewa Figure Skating Parents!

This chart shows our cleaning schedule for the rinks of the Chippewa Ice Arena. **TEAM PARENT REPS** -please see below for your assigned weeks. The CYHA Board of Directors has approved the hiring out of cleaning after Chippewa Steel and boy's high school games. If you are scheduled to clean the South Rink and games are scheduled you will not need to cover cleaning on those evenings. A cleaning crew will clean after the Chippewa Steel and boy's high school games. Teams will have to clean on nights there are girl's high school games.

There are cleaning checklists in the cleaning supply rooms for both rinks.

Sunday Open Skate: When assigned the South Rink, your team is also responsible for the open skate the Sunday night that your week starts. Example: Pee wee B-team will be responsible for having a pro shop worker and concessions workers for Open Skate on November 27th. They will clean Sunday thru Saturday, December 3rd. If it is your tournament weekend, the rink needs to be clean at the end of the tournament!
