DO NOT SIGN UP FOR A COMPETITION WITHOUT CONSULTING WITH YOUR COACH FIRST

***Competition is a personal choice not a requirement.*

thank you everyone for doing your part & working at CFSC BINGO nights.

Why Do We Work BINGO? What Does the Money Go Toward?

Bingo funds are used for coaching fees, additional ice fees, spring show expenses, CFSC activities and much more. Bingo helps us keep fees lower since it is the main fundraiser for the club.

DOES MY SKATER NEED TO COMPETE?

No, skaters do not need to compete. Some Senior Club Skaters started competing at the Learn to Skate level while others waited until they had been in Senior Club for awhile.

It is a personal preference to make. Parents/Guardians know their skater the best. Do think that your skater would enjoy competing and is ready to compete on their own? If the answer is "yes" to that question, then you can reach out to a coach to discuss your skater's next steps toward competition. If you need assistance looking for a private coach for your skater then email the club at

chippewafigureskatingclub@gmail.com.

If the answer is "no", then it is okay to wait. There is always time to try it later if they want to.
